How to Enroll

04/03/2026 9:04 am EDT

You can enroll online in a few quick clicks! Here's how:

1. Log into our website or app.
2. Go to *Documents* and click *Manage Delivery Preferences*.
3. Next to *Escrow statements plus other routine servicing communications,* check the *Email* box and follow the prompts to complete your enrollment.

If you're already enrolled for paperless mortgage/account statements or year-end statements, you also have the option to enroll for electronic escrow statements and other routine communications by phone. We'll be happy to help!
